Apply application number

Key	Value
Name	Apply application number
Short Name	APPLYAPPLICATIONID
Parent Entity	Engagement
Type	Field
Applicable To	England
Coverage	All students that apply through the Department for Education's apply for teacher training online service
Description	This field records the unique Application ID, also called Application Number, used by the Department for Education's apply for teacher training online service
Notes	This field records the currently six-digit application ID that is allocated to each application made through the DfE's apply for teacher training service (Apply). This field is not required for trainees who did not apply via the Apply service. You can read more information about this field: https://www.apply-for-teacher-training.service.gov.uk/api-docs/v1.2/reference#application-object The Department for Education request that where it exists for new students, the application ID is returned in this field. This field should be returned for new students. This field is optional for continuing students, but providers are encouraged to return it where it exists.
Reason Required	To help the DfE understand outcomes for ITT applicants and trainee teachers.

Bursary level award

Key	Value
Name	Bursary level award
Short Name	BURSLEV
Parent Entity	Student > Engagement > Student course session > Funding and monitoring
Type	Field
Applicable To	England

Coverage	All students at providers in England where Course.TTCID = 01
Description	Bursary level award
Notes	This field records the training bursary awarded to the student. Bursary levels will vary according to the level of study of the student, their degree classification if applicable and the subject specialism in which they wish to train to teach.

Further guidance for 2024/25 TBC. |
Reason Required	To ensure correct level of funding for Bursaries
Field Length	1
Minimum Occurrences	0
Maximum Occurrences	1
Valid values	Code Coding Frame label 4 Scholarship 6 No bursary, scholarship or grant awarded B Undergraduate bursary C Veteran Teaching undergraduate bursary D Postgraduate bursary

Note: we may well change these codes to be two characters in the Student record.

ITT qualification aim

Field removed. The following codes in QUALCAT should be used instead:
I0005   Qualified Teacher Status (QTS)/registration with a General Teaching Council (GTC) only
I0007   Early Years Teacher Status (EYTS) only

Trainee start date

Key	Value
Name	Trainee start date
Short Name	TRAINEESTARTDATE
Parent Entity	Student > Engagement
Type	Field
Applicable To	England
Coverage	All students at providers in England where Course.TTCID = 01 and Engagement.ENGSTARTDATE field does not record the date which they commenced on the ITT course.
Description	This field indicates the date the student commenced their ITT course where this is different to the start date of the engagement.
Notes	This field is optional and therefore where Engagement.ENGSTARTDATE reflects the date the student commenced their ITT course, there is no requirement to return Engagement.TRAINEESTARTDATE.

The field is to be used for students who do not commence studies on the official start date of the course to gain QTS (captured in |

	SessionYear.SYSTARTDATE). Engagement.TRAINEESTARTDATE is to be used when students have started their course to gain QTS late. Engagement.TRAINEESTARTDATE should be the date the student actually starts the course. Please see the Data Standards page [link: codingmanual.hesa.ac.uk/22056/guidance/DataStandards] for more information on how to return date fields.
Reason Required	To determine the start date of the student on their ITT course, where this differs from the official start date of the course. This can impact funding for trainees as well as the data published in the ITT Census publication.

National insurance number

Key	Value
Name	National Insurance Number
Short Name	NIN
Parent Entity	Student
Type	Field
Applicable To	England
Coverage	Optional for students at providers in England where Course.TTCID = 01
Description	National Insurance Number
Notes	Provision of this information is entirely optional. If a student already has a record with the Teachers' Pensions Scheme, provision of this information will assist in record matching.

Email address

Key	Value
Name	Email address
Short Name	NQTEMAIL
Parent Entity	Student
Type	Field
Applicable To	England
Coverage	All students at providers in England where Course.TTCID = 01

Description	This field collects email addresses for trainees on Initial Teacher Training courses.
Notes	A valid email address should be returned. This must be a current personal email address and not a university email address.
	The DfE will use this email address to communicate with Newly-Qualified Teachers to ask them to log in to the DfE Teacher Services Portal. This will enable Newly-Qualified Teachers to access their QTS certificate online, reducing burden on HE providers.
	The Teaching Regulation Agency (TRA) will retain email address data until a newly qualified teacher (NQT) completes their statutory induction year.
	Where an email address cannot be obtained, an empty element should be returned, i.e. <NQTEMAIL></NQTEMAIL>
Reason Required	To allow the DfE to communicate with newly qualified teachers, asking them to log in to the DfE Teacher Services Portal at the time that Qualified teacher status (QTS) is awarded, and for no other purpose.

Previous qualification entity

Postgraduate Entry Qualification Award – entity

Key	Value
Name	Postgraduate entry qualification award
Short Name	PGEntryQualificationAward
Type	Entity
Description	To record qualifications held prior to the start of the course
Applicable To	England Northern Ireland Wales
Coverage	All Students at providers in Northern Ireland and Wales where Qualification.QUALCAT = M0016, M0018 or H0013 and Engagement.INCOMINGEXCHANGE does not exist. All Students at providers in England where Qualification.QUALCAT = H0013, I0005, M0003, M0016 or M0018 and Engagement.INCOMINGEXCHANGE does not exist.
Notes	This entity records the relevant previous degree qualifications the student has gained, such as an undergraduate degree, masters or PhD etc.
Reason Required	To enable multiple qualifications to be returned. In some cases, the first degree obtained by a student may not necessarily be the most appropriate one to use for funding purposes. Enabling multiple qualifications to be entered allows the HE provider to distinguish.
